Sir:

STATUS INQUIRY

Applicants hereby request a report on the status of the Request for Certificate of Correction filed for this issued patent.

On June 23, 2009, Applicants submitted a communication requesting a Certificate of Correction be issued for this patent along with payment of the required fee.

On July 20, 2009, the Decisions and Certificate of Correction Branch denied that request as first requiring a request to correct the Assignee of record.

As required by the Decisions and Certificate of Correction Branch, on August 27, 2009, Applicants submitted a further communication requesting (1) a correction of the Assignee and (2) a Certificate of Correction of the issued patent.

Patentee: Klaus Dieter LIEDTKE et al  
Patent No.: 7,548,857

To date, a Certificate of Correction has not been received. A telephone call and voice message to Charlotte Tolbert in the Office of Data Management was made requesting the status of our communications. Neither a return phone call nor a message was received from Ms. Tolbert or the Office of Data Management.

If any other fees are required, authorization is hereby given to charge the amount of any such fees to Deposit Account No. 03-3125.

Respectfully submitted,
